The SORB[®] Racing Team - cycling for a good cause! action medeor

At the end of 2020 we founded the SORB[®] Racing Team. A project close to our hearts in which we set aside €0.20 for every kilometre cycled by our team and collect it for action medeor's fundraising campaign. For the year 2021, we were able to hand over a cheque for 6,000€ and thus a mileage of 30,000km. We were given an insight into the medicine warehouse in Tönisvorst, from which crisis areas worldwide are supported.

Become part of our team and support action medeor.
